

Field Trip Authorization Form

Each year the children and staff of Hanover Nursery School enjoy several nature walks and short educational trips to places of interest in the local community. In order to make sure that parents are aware that we will be taking such trips, we ask you to sign this authorization form.

I authorize the Hanover Nursery School to take my child on short educational walks and trips, driven by staff and parents of children attending the school. I understand that there will always be adequate adult supervision and that car seats and seat belts will be available and used in the vehicles transporting the children.
